Updated:

10/4/2013

[1] Operating System footnotes:

All later service packs for the operating system are supported otherwise noted. Refer to the support website for specific notices.

[2] Database Engine footnotes:

No Database Engine is required

[3] Internet Browser footnotes:

No Internet browser is required

[4] Intergraph Applications Footnotes:

[5] Third Party Application Footnotes:

No third party applications are required.

[6] System Dependencies footnotes:

All later service packs for the system dependencies are supported unless otherwise noted. Refer to the Support web site for specific notices.

Key:
X = Software is supported on this version
R = Required
O = Optional
U = User must install
A = Automatically installed by Setup, if not found
